Sunday School Report

The major emphasis of the associational year '85-'86 for Sunday School was the preparation and follow-up of the "Good News America, God Loves You" Simultaneous Revival. On October 7 we had an Evangelistic People Search/Scripture Distribution Workshop. Then October 20th to 26th was the actual Evangelistic People Search/Scripture Distribution.

The last report showed the following results:

25 new people enrolled in Sunday School
 650 prospects discovered
 2,070 Scriptures distributed

On January 21 the ASSISTeam went to Asheboro for training on the "How to Guide" books. Then on April 21-22 the books were taught in our association by each group leader. The general officer's book was *The Baptist Faith and Message* by Herschel H. Hobbs.

Brotherhood Report

The Brotherhood organization goals are to seek, educate and inform our men and boys about missions in action and lead to encourage financial and prayer support for our missionaries.

Who can be a member? Or brother? Jesus' answer in St. Matthew: As he was speaking, someone told him that His mother and His brethren stood without desiring to speak with Him. But He answered and said unto him, "Who is my mother? And who are my brethren?" And He stretched forth his hand towards his disciples and said, "Behold my mother and brethren! For whosoever shall do the will of my Father which is in Heaven, the same is my brother."

There is no official joining as we usually think of it in relation to an organization. One becomes involved simply by "pluggin" in where he feels his God-given gift and talent allows him.

Brotherhood now has 13 active projects. Example: agricultural, a demonstration farm; disaster relief, after hurricanes and floods. An 18-wheel tractor trailer equipped for a team of eight persons can carry food to feed 3,000 meals. Combating moral problems: target example

of such moral diseases as pornography, drugs and alcohol. Royal Ambassadors programs are planned, promoted and cultivated for the boys and their leaders in local churches. Many offer their services to go all over North Carolina and overseas to Togo, Africa and other countries. Doctors and nurses give medical aid to the needy. There are carpenters, painters, masons and machine operators for drilling wells, building ponds, building churches and houses, and also repairing old ones.

Baptist men are encouraged to become involved in their local church program.
We can further our personal ministry around the world as well as here in our own state.
The BROTHERHOOD way of life means meeting the challenge of today.

Wallace I. Tingen

Associational Church Training Report

With the cooperative effort of our Beulah churches, last year several very successful events were held.

A New Year's Eve Youth Rally was sponsored and funded by the Church Training department.

Our Church Training team attended the association team training period at Caraway. Your Church Training director attended a Key Leadership Conference at Ridgecrest.

Ruth Prince, North Carolina Church Training office, visited our association and shared with four of our churches in areas of need in Church Training. Several of our churches began ongoing Church Training as a result of her visits.

It was a successful year in the Beulah Association. Many thanks to the many people who helped make this year a successful one.

Respectfully submitted,
Rev. Charles D. Zitzman, Director

Evangelism Report

A total of 25 churches participated in the 1986 "Good News America" simultaneous revival effort. An excellent spirit was evident in our association as preparations were made and prayers lifted for our revivals. While all of our churches did not report the revival results, many decisions were made for Christ. The community was made aware of the revival effort by radio and newspaper ads. The *Roxboro Courier-Times* ran a feature article on the revivals. There was a fresh spirit of revival in our association during the revival week. Yes, Beulah Baptists shared Good News in 1986!

In 1987 our state convention is focusing on "Target Group Evangelism." Emphasis is being given to the evangelizing of special groups (ethnic, youth, divorced, the elderly, etc.). The next simultaneous revival effort is scheduled for 1990.

Dr. Ray N. Howell, III, Pastor

North Carolina Baptist College Report - 1986

CAMPBELL 1887	CHOWAN 1848	GARDNER-WEBB 1905	MARS HILL 1856
MEREDITH 1891	WAKE FOREST 1834	WINGATE 1895	

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed

the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

Campbell - During 1986 there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan - Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb - On May 31, 1986, Dr. Craven E. Williams completed his tenure as president begun in July 1976. On June 1 Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill - A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continue to be a major emphasis.

Meredith - "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest - Conversations continue between convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate - Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

Christian Education Report

I am happy that we, as Southern Baptists, have so many schools and outlets of Christian Education for our people to educate our people to the work and love of Christ so that we may be a help in bringing others to know our Lord as their own Lord.

I think and hope that all of us as adults should encourage our young people of our churches to use our schools for better learning. So that they can better serve the Lord in years to come, LET'S ALL SUPPORT OUR SCHOOLS!

Music Report

Much can be said and done concerning music within the association. Beulah has just begun to scratch the surface of this task. The year 1985-86 was a year of re-establishing contacts among music leaders, looking at the needs of the music programs within the association and taking steps toward meeting the goals and needs in our music programs.

Several steps were taken to begin an effective music ministry within the association. Choir directors (1) met quarterly for planning, then later met monthly as (2) an ensemble for directors and accompanists was formed. Another (3) step taken in establishing communication among leaders was the formation of Swap lists of music that the churches submitted as "loanable" music (for fellow directors to borrow). The final (major) activity of the year was (4) an Adult Choirs' Singin' in August. Choirs from five churches joined in worship at Somerset to share their favorite songs; afterward, a time of fellowship and refreshments was enjoyed by all.

It is with excitement that we look to a new year of more training, sharing, growing, worshipping opportunities through song.

North Carolina Baptist Hospital Report - 1986

During the past year Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's \$150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year Baptist churches of North Carolina gave \$566,307 through the Cooperative Program and \$374,238 through the North Carolina Missions Offering. These gifts

help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Hassell Lamm

Baptist Retirement Homes Report

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of North Carolina, Inc., has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the *Biblical Recorder*, local newspapers and direct contacts, the homes is effectively making itself known to greater numbers of senior adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the senior adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of continuing care communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to senior adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August 1985 through June 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over \$900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes and Hospital Offering provided \$785,000.
- Over 40 new residents were admitted to the homes and nursing care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the homes.
- Jack Hoyle was appointed Vice President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not An Ordinary Person," produced by the homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the homes since November 1985, the fine tradition initiated by past Presidents will continue. Yet, the trustees and administrative staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Talmadge Wilcox

Baptist Children's Homes Report - 1986

The centennial year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundred and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than 25 youth into the fellowship of the local church.

The New Homes and Hospital Offering, approved by the convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with 50 percent of that which was received going to the Children's Homes, 25 percent to the hospital and 25 percent to the retirement homes. The goal was \$1.6 million. We encourage you to help promote the new offering in your church during May 1987.

UPDATE/RALEIGH AREA:

The Baptist Children's Homes of North Carolina work with families who are hurting due to problems within the family. We seek to help the family identify the problems and then help the family find some way to work through the situation. Major emphasis is placed on getting family members to talk with us and then to talk with each other.

Sometimes living apart may be necessary. This need may be met through emergency care, foster care, group care, therapeutic camping or maternity care. Through the services of Baptist Children's Homes, counseling sessions are available for those who remain in the home but who may need help in identifying feelings and learning to talk about those feelings.

The Kate Parham Watkins Emergency Care Home in Henderson cared for 33 children/youth this past year. Mr. and Mrs. Rodney G. Campbell continue to serve effectively as child care workers. The Campbells would be delighted for you or your group to visit the home soon. Call them at (919) 438-3133.

Dr. Michael C. Blackwell, President (919) 472-1000

J. Leonard Gerrald, Raleigh Area Director (919) 832-8635

Charles L. Tanner, Director of Church/Community Relations (919) 472-1000

The American Bible Society Report

Available figures indicate that significant progress was made in the areas of both distribution and translation of the Bible in 1985. As the year advanced, calls for Bibles and New Testaments in local languages came from all quarters of the globe, but especially from churches in the Third World. ABS, in active cooperation with its associates in the United Bible Societies, distributed more than 542,000,000 Scriptures worldwide in 1985 alone, an increase of almost five percent over 1984. The ABS is currently supporting Scripture translation work in 544 different languages around the world. In 360 of these languages a part of the Bible is being translated for the first time. Thirty-four projects involve the revision of former translations. The remaining projects are new translations in languages that have had previous translations but where the need exists for a clearer common language version which people can more easily understand.

The ABS has been actively involved in the translation and publication of complete new Bibles in seven languages in which only a part of God's Word had previously been available.

The ABS has a clear commitment to provide people with a full record of the wonderful works of God and the ways in which His people are called upon to respond to them. As noted above, however, much work continues to be done in translating the New Testament, individual Gospels and other books of the Bible for evangelistic outreach in a great number of languages.

In the UNITED STATES 1985 was a year of expansion for the ABS. A total of 96,222,967 Scriptures were distributed nationwide. The ABS was especially pleased to produce 100,000 copies in ten languages of an imprint of the Gospel of John entitled "Good News America, God Loves You" for the Home Mission Board of the Southern Baptist Convention.

The language requirements of the various ethnic communities in this country generated a brisk demand for many of the 80 other languages in which the ABS distributes Scriptures in the US. Special attention was paid to the needs of Hispanics who number nearly 20 million. Also a long-awaited Haitian and Navajo Bible was completed.

Emphasis continued on the ministry for the blind or visually impaired. Scriptures were also supplied to ministries serving those in need of specialized pastoral care - prisoners, inner city youth, refugees, the homeless, the elderly, and the hospitalized. In addition, Scriptures were shared with members of all branches of the armed forces stationed at home and on US military bases abroad.

In 1985 Southern Baptists contributed \$298,339 to the ABS. As has been the case in the past, the largest portion of these gifts came from individual local churches. Your generosity is a wonderful sign of Christian caring and solidarity with the thousands of men, women and children across the globe who long to read the Scriptures in their own language.

Stanley Hare

The Biblical Recorder Report - 1986

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians—fewer persons in North Carolina are members of any church than are not—and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase (\$96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. Many of the other major state Baptist papers such as the *Recorder* have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, \$5.00 per subscription for every resident family; Club Plan (four or more), \$6.00; and Individuals, \$7.00. If your church does not have the Every

Family Plan, special introductory offers are available. Please contact:

A Proposal for a New Relationship Between The North Carolina Baptist State Convention and Wake Forest University

The Baptist State Convention of North Carolina and Wake Forest University have had a strong and generous relationship since the school was founded in 1834. During these 152 years of partnership in missions and Christian education, the form of the relationship has been altered from time to time. Such changes were the result of study, deliberation and prayer by men and women of good intentions.

On several occasions the convention called upon Wake Forest to develop programs and move toward the achievement of university status. Responding to the convention's mandate and the desires of the trustees and administration of Wake Forest University, university status was established in 1967. The steady development of Wake Forest as an educational institution with a broadening reputation for excellence and quality was a natural consequence of the move to become a university.

In 1980 a new covenant relationship was entered. The university, with convention approval, broadened representation on its board of trustees to include up to one-third of the board from beyond the borders of the state and from churches other than Baptist. At the same time, budgeted monetary support from the convention to Wake Forest ended, with voluntary Cooperative Program funds from churches continuing. In the years of the covenant the relationship between the convention and the university has been remarkably fruitful. In that time Wake Forest has increased its services to North Carolina Baptists, maintained the essence of its traditions, freely proclaimed its Baptist heritage, and had the benefits of participation in programs of the convention. As a result of its university status, Wake Forest has necessarily broadened its areas of service. Without abandoning those it has traditionally served, it has come to serve Baptists, and others, in a broader geographical range. Its Board of Trustees has resolved to maintain its fundamental principles, to be an outstanding Baptist university of service to the nation, to maintain a relationship to the Baptist State Convention and to maintain services to the Baptists of North Carolina.

The convention has during these same years developed a broad range of missions, including many educational activities beyond those which existed when Wake Forest was founded. While the convention provided substantial monetary assistance to Wake Forest until 1979 (and many churches have provided voluntary assistance since then), over the years the contribution of the convention to Wake Forest's development and nurture has been perhaps even greater in other areas. The convention's financial resources can now be turned more directly to other missions. At the same time, Baptist beliefs and traditions, and a relationship with the convention which provides an opportunity for sharing in those beliefs and traditions, will continue to give Wake Forest University a unique perspective and unique opportunities in Christian higher education. This is a fraternal relationship which the convention will fully and willingly share with Wake Forest.

ELEMENTS OF A NEW RELATIONSHIP

During their months of negotiations, it became clear to the two Covenant Committees that a new proposal was called for, one that would clarify the disputed issues, provide for the welfare

and future of Wake Forest University, eliminate any misunderstandings which have developed between the two groups, and allow a friendly relationship to continue out of 152 years of common history. The essence of the recommendations now under consideration is: The Baptist State Convention of North Carolina and Wake Forest University shall have a fraternal, voluntary relationship under which Wake Forest University is autonomous in governance. The Board of Trustees of Wake Forest University shall be elected by that board in accordance with such procedures as that board may prescribe. Wake Forest University shall not share in the distribution of any Cooperative Program Funds. The president, dean and trustee chairperson of Wake Forest University shall be non-voting associate members of the Council on Christian Higher Education.

The university has declared its intent to honor its Baptist heritage. Baptist and other Christian programs will remain and will be promoted and funded by the university. Under this new relationship, the university will be separated from Cooperative Program dollars; the convention will be separated from trustee election; the university and the convention will affirm and declare a fraternal and voluntary relationship as a substitute for the Covenant Relationship, and in lieu of all other ties which have previously existed; and an associate relationship with other institutions of Christian higher education will be nurtured and maintained through the Council on Christian Higher Education.

In order to implement the proposed new relationship, the following language is recommended as a substitute for Article XIV of the convention's constitution:

Article XIV. The Baptist State Convention of North Carolina and Wake Forest University shall have a fraternal, voluntary relationship under which Wake Forest University is autonomous in governance. In order to facilitate that relationship, the university will have associate, non-voting membership on the Council of Christian Higher Education, and will be represented by the same officers as schools which are members of the council. The Board of Trustees of Wake Forest University shall be elected by that board in accordance with such procedures as that board may prescribe. Wake Forest University shall not share in the distribution of Cooperative Program funds.

The Covenant Committees believe the time has come for such a change in the relationship between the Baptist State Convention of North Carolina and Wake Forest University. In that relationship there is opportunity for the convention and for the university.

Adopted by:

The Council on Christian Higher Education, September 5, 1986
The General Board's Executive Committee, September 29, 1986
The General Board, September 30, 1986

(Please consider sharing this information with messengers from your church to the Annual Session of the Baptist State Convention in Greensboro on November 10-12, 1986. The proposal on Wake Forest is scheduled for 10:00 a.m. on Tuesday, November 11.)

The motion was seconded and approved.

The following motion was made, seconded, and approved by 67 percent of the members of the Executive Committee. There were 26 churches represented:

"Whereas the Roxboro Baptist Church has recently adopted a constitution which allows the church to receive members who have not been baptized by immersion:

"Whereas this is not in keeping with the practices of the member churches of the Beulah Baptist Association, is a departure from the teachings of the New Testament, and has created a crisis of fellowship among the member churches of the Beulah Baptist Association:

"I resolve that the Executive Committee of the Beulah Baptist Association give the Roxboro Baptist Church a period of six months to prayerfully consider changing their constitution to comply with the practices of member churches of the Beulah Baptist Association."

History of Woman's Missionary Union

Beulah Association

Written By: Mrs. Hulon (Nina) Welch

History of Woman's Missionary Union of Beulah Association

In 1951 Mrs. S. O. Garrett of Semora, North Carolina compiled a detailed history of the Beulah Baptist Woman's Missionary Union for the first half-century 1901-1951. The following is an abbreviated account of Mrs. Garrett's report:

Many years before Woman's Missionary Union of the Southern Baptist Convention was organized, women all over North Carolina were promoting missions under various society names. Though their gifts were small, their faith and loyalty were great.

These brave pioneers in Beulah, known then as Country Line Association, are said to have organized their first society for the support of missions in 1792, only a few years after William Carey had gone out to India. This was called the Hyco Female Cent Society. Carrying on this society took great courage and prayer, as the brethren were still in the dark as to whether the call to work openly in the Master's vineyard was meant for females as well as males. This opposition brought these dear women to their knees in prayer for divine guidance, strength, and courage to continue. It would be of tremendous value to us to have the names of these early pioneers who courageously blazed the trail in that far off day. All this information is lost, but it is inspiring to know that by 1860, a number of "Ladies Aid Societies" were in operation in Beulah Association.

In the first financial report of societies to North Carolina Woman's Central Committee as of December 31, 1886, the following contributions from Beulah Association appear: Shiloh Society \$5.00; Beulah Church \$2.60; and Yanceyville Church \$76.00.

Yanceyville has the honor of having organized the first society, the history of which is definitely recorded. This was named the Maggie Nutt Herring Society in honor of the first wife of Dr. D. W. Herring, missionary to China. The original constitution of this society which was adopted October 7, 1885, and is still preserved along with minutes and other historical data was written by Miss Linnie Poteat, sister of Dr. W. L. and E. M. Poteat. Miss Ida Poteat, for so many years beloved teacher of art at Meredith College, Raleigh, North Carolina, was a charter member of the Yanceyville Society, which is the third oldest Woman's Missionary Society in North Carolina. Records in Raleigh show that Yanceyville has reported every quarter since April 1886. Would that every society in the association were able to claim that distinction!

Shiloh Woman's Missionary Society was organized early in December 1886 but for several years failed to send in reports to the Woman's Central Committee (later known as Woman's Missionary Union). Gifts to missions, however, were sent in with other gifts from the church. Mrs. John B. Yarbrough, Mrs. Agnes Moore Thomas, and Mrs. Hartwell Myers were the first, second and third presidents. As evidence of how missionary zeal and leadership run in families, it is interesting to note that the descendants of these spirit-filled women are walking in their footsteps.

Bethel Hill Woman's Missionary Society was formed in 1888 and reported in 1889. It supported by "Direct Missions" a missionary, Mrs. Emma Humphries Blalock, in China for 20 years. Miss Carol Leigh Humphries, niece of Emma Humphries Blalock, is another product of Bethel Hill Baptist Church who has served in Nigeria since 1953. She is the director of women's work in northern Nigeria. The first president at Bethel Hill was J. A. Beam, noted educator in Person County.

Mill Creek Woman's Missionary Society came next, organizing in 1890 with six members. This society also supported a helper in China for years at \$60.00 a year. In time the membership of this society with its auxiliaries was consistently over 100.

The society at Lea Bethel was organized in 1897. A smaller or more zealous society was probably never begun in any state. There were only three charter members. Mrs. E. W. G. Thompson, who was made president and served continuously until her death in 1914, Mrs. R. V. James, vice-president and in whose home many of the meetings were held; and Mrs. James' daughter, Miss Hattie James, was secretary-treasurer and a few years later became the associational vice-president and then associational superintendent as it was called. In 1984 Lea Bethel reported 76 Woman's Missionary Union enrollment.

The Milton Church reported a Ladies Missionary Society in May 1898.

The forming of other societies in the association led the women of Beulah to feel the need for uniting. In 1888 the scattered societies of the Southern Baptist Convention had organized as Woman's Missionary Union. Before the turn of the century, Beulah women were beginning to make their influence felt; and so it came about at the annual meeting of Beulah Association, held with West Washington Street Church in Greensboro, North Carolina in 1897, that Rev. C. A. W. Thomas, who recognized the importance of women's work, moved that a column be added to the financial table in the Minutes, showing gifts of the Women's Societies. The motion was carried and the column added!

It should be here noted that originally Beulah Association had embraced Caswell, Person, Orange, Rockingham, Stokes, Forsythe and a part of Guilford counties. Gradually this territory was reduced by the formation of other associations, so Beulah was left with fewer churches. In the year 1900 Beulah Association had 10 churches with only 773 members.

Some kind of associational organization seems to have been formed around 1897. Miss Georgia Robertson of the Yanceyville Church was elected to direct the women's work in the association. The exact date of Beulah becoming an intergral part of North Carolina Woman's Missionary Union cannot be definitely established, but evidence points very clearly to 1901. Mrs. R. L. Wilburn of Roxboro Church said she distinctly remembers that Mrs. E. W. G. Thompson and Miss Hattie James, guests in her home at that time, were the leading spirits in this progressive step.

The following women have served as Woman's Missionary Union superintendents/directors during 1897-1985:

Though unable to give definite steps of progress from 1897 to 1911, we know that solid foundations were being laid. Mrs. L. N. Chappel, Beulah Association Woman's Missionary presiding officer 1900-1902, had served in China as a missionary seven years before locating in Milton, North Carolina with her husband who served as pastor of the Milton field of churches.

In 1903 eight societies: Clement, Ephesus, Kerr's Chapel, Lea Bethel, Providence, Shiloh, Trinity and Yanceyville reported \$126.06 for mission causes; then in 1907 only five societies reported to the association with a total of 33 members. In 1984 there were 1,628 women and children involved in Woman's Missionary Union. We smile as we read toady about "Brother So-and-So read the report of the women's work" at the annual meeting of Beulah Association. The brethren were none too strong on women speaking out in meetings; so each year one of themselves was appointed to prepare and present a report on "women's work." All too often no report was given. So it happened in 1908, 1909, 1910 and again in 1911. In the year of 1912 there were five Woman's Missionary Societies but only three sent reports to the associational superintendent with total gifts to missions of \$75.00. Evidently one of the weak points in the work in those days was the failure on the part of the local societies to send in associational reports. Again in 1913 only three societies reported to the associational superintendent but several sent reports to the state Woman's Missionary Union. The fact that the brethren finally approved and openly expressed gratitude for our humble service inspired us to "lengthen our cords and strengthen our stakes." Since we were not supposed to speak at regular sessions, a special time during the General Association Meeting was granted for women to meet elsewhere to discuss work accomplished and plans for further advancements.

It was at such a time on July 15, 1914 that delegates from seven Woman's Missionary Societies met in Yanceyville Methodist Church to hear interesting reports of the previous year. The regular meeting of the Beulah Association was in session at the Yanceyville Baptist Church. The Reverends D. F. Putnam, H. T. Allison, and P. F. Hodges came to the meeting and took part on the program. The Yanceyville Sunbeams gave a playlet during the afternoon session. This meeting was typical of that period.

The years 1915 and 1916 mark a growing consciousness for responsibility for our young people. At the annual Woman's Missionary Union meeting held at Rock Grove in 1916, a motion was made to elect an associational Sunbeam leader and an associate, also a Young Woman's association superintendent. Mrs. D. W. Bradsher and Mrs. B. S. Graves were elected to promote Sunbeam Bands and Mrs. E. F. Upchurch, Sr., superintendent of Young Woman's Auxiliaries. This was a forward step for in 1917 twenty-two societies, including eight Sunbeam Bands with 114 members and three Young Woman's Auxiliaries with 21 members, reported with a total contribution of \$678.50. About \$64.00 was given by the young people's auxiliaries.

A group of churches belonging to the Flat River Association had joined with Beulah. The churches were: Bethel Hill, Mill Creek, Providence (Person County), Roxboro and North Roxboro. The advance in "women's work," however, which resulted in the gifts to missions in 1917 amounting to more than what came from all the churches of the association six years before, was not wholly due to enlarged territory. Beulah must ever be grateful to Mrs. G. M. Murchison, whose wise and consecrated leadership during these years had put Beulah Woman's Missionary Union in line with the larger plans of state and southwide Woman's Missionary Unions.

In 1918 the brother appointed to give the Woman's Missionary Union report having no special report prepared on women's work, the time allotted for this report was given to Mrs. Murchison who was still the superintendent of Beulah Woman's Missionary Union. She gave an interesting account of the work accomplished and outlined plans for greater work the coming year. This marked the first time the report on women's work to the general meeting of Beulah Association was presented by a woman. The brethren expressed gratitude to the women for their fine spirit of cooperation and excellent work accomplished.

The Seventy-five Million Campaign launched in 1919-1920 brought about many changes. Key women from Beulah attended the campaign school in Raleigh to learn how best to organize our women and young people for their part in this great undertaking. We entered into these plans with great enthusiasm. Mrs. J. J. Winstead's report of 1919 gave a total of \$927.98 contributed by 11 Woman's Missionary Societies and three Sunbeam Bands. Report of Miss Mollie Strum (Mrs. George Barrett), who was superintendent in 1920-1921, showed a gain of five new societies and gifts 125 percent over the previous year. The Seventy-five Million Campaign was bringing new life and interest.

But not all was easy sailing for this great campaign. Many churches all over the Southern Baptist Convention found it hard to meet their pledges. Another difficulty was, owing to misunderstandings and frequent changes of local officers, reports sent to associational superintendents sometimes differed from actual moneys sent to the state office. (In Beulah Association, not all our local officers have yet learned the simple expedience of checking their own records with reports annually reported in the *Biblical Recorder* in order to clear up immediately any variation.) A chart was prepared for the annual meeting in 1924 showing what each Woman's Missionary Union in the association had pledged, amount credited in Raleigh and amount still due. It would have been good business if such a chart had been shown each year of the campaign. Our women set to work with increased effort and prayers. The campaign as a whole finally came up 17 million short, but the 15 million dollars assumed by the Woman's Missionary Union members had been more than met. This miracle added greatly to our faith and courage. This great campaign was the most important issue while Miss Ella Graves Thompson was Beulah superintendent. She kept a map on the wall of her bedroom of the Beulah Association with a star to represent each organization. Seventeen of the 21 churches at that time had Woman's Missionary Societies; 13 Sunbeam Bands; seven Royal Ambassador Chapters and three Girl's Auxiliaries.

Providence (Caswell) and Yanceyville were our only fully graded unions. In 1924 three of the 17 Woman's Missionary Societies, Shiloh, Roxboro and Lamberth Memorial, were A-1 on the state standard of excellence.

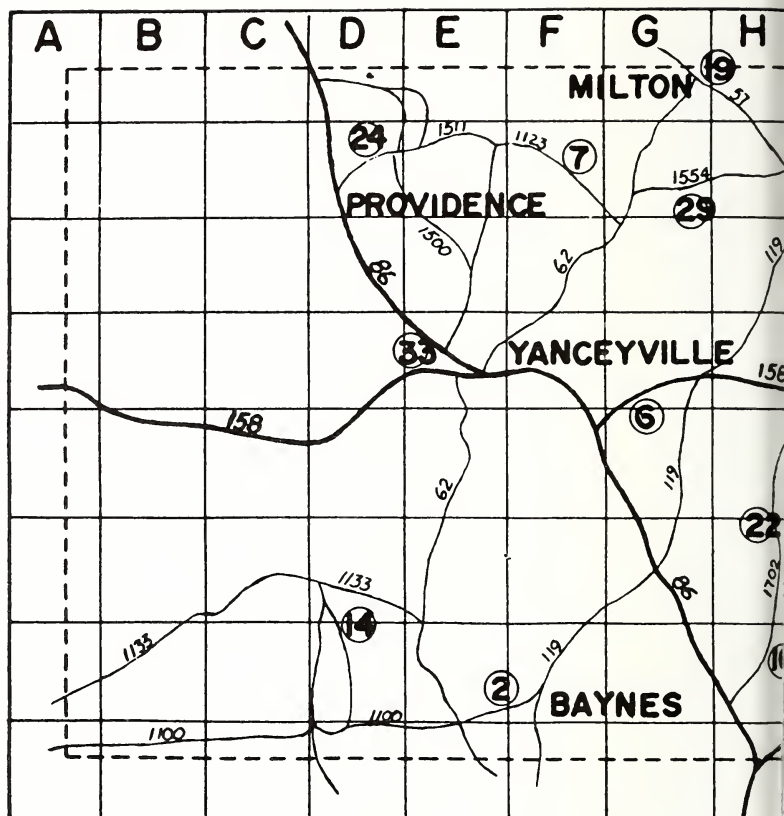

Mrs. R. L. Wilburn became superintendent in 1929 and served 14 years as leader. She organized "brand new" societies in the following churches: Beulah, Ca-Vel, High View, Theresa, Thompsonville, Trinity, and Kerr's Chapel; and revived societies at Baynes, Ephesus and Old Lea Bethel. "At one time," Mrs. Wilburn said, "we had 25 churches and 25 Woman's Missionary Societies, a society in every church in Beulah Association. We received public recognition for this achievement at our state Woman's Missionary Union Convention in Greensboro, North Carolina. The main thing about my term of service was our spiritual union. The fine Christian women helped me in a way that blessed and enriched my whole life and I shall never forget their loyalty and friendship."

While Mrs. Wilburn was superintendent, there were added to our executive force a chairman of Mission Study, of Stewardship, of Community Missions and of Literature. These, together with the superintendent and Young People's leader, were untiring in their labors and progress was made.

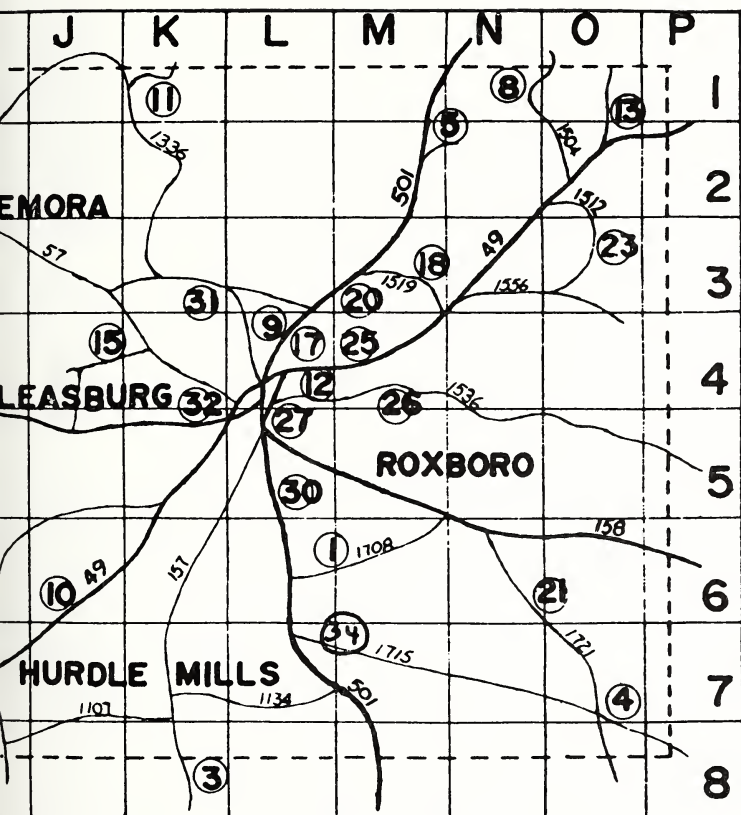

The first Mission Study Institute was held in 1944 at Roxboro Baptist Church under the direction of Miss Ella G. Thompson, Mission Study chairman. Teachers for this training course being Mrs. J. S. Farmer, Miss Kathryn Abce, Miss Ellen Brewer and Miss Margaret Johnson. Impetus gained from this institute resulted in nine schools of missions that year. A mission study institute has been held practically every year since 1944, bringing state workers and missionaries to the association. The quality of local leadership in this phase of work has been steadily improving.

In 1945 five additional churches came into Beulah Association - Berry's Grove from the Mount Zion Association and Bethany, Mount Harmony, Olive Branch and Rock Grove from the Flat River Association. This added four more active Woman's Missionary Unions with 187 members. Women's work in the Bethany Church was not organized until they joined our association.

During Mrs. S. O. Garrett's term of service as superintendent 1947-1950, a new church, Front Street, was instituted at Roxboro. This made 33 churches and again there was a Woman's Missionary Union in every church and every one of the 33 reported to the superintendent the last quarter of 1949 and once again Beulah Woman's Missionary Union was awarded recognition at the state convention, not only this time for being 100 percent organized, but with added commendation for having had at least one mission study class in every church. Not all of the 33 societies were active. In spite of faithful effort on the part of the superintendent, our associational field worker, Miss Ella Sue Gravitte, and local president, Mrs. Oscar Davis, the society at Lamberth Hill voted to disband in April 1950 because the moving tenant families had reduced the Woman's Missionary Society membership to only one resident member.

Miss Ella Sue Gravitte, one of Person County's own girls and a graduate of Meredith College and our Woman's Missionary Union training School at Louisville, Kentucky, had come to Beulah Association as full-time field worker in 1947. For three years she rendered invaluable service to the Woman's Missionary Union as well as all phases of work in the association. Regular meetings of the Executive Woman's Missionary Union Committee during this period were a constructive force.

As time went by, our officers and leaders became more aware of the inspiration and rich blessings to be gained from attending state and divisional annual meetings; also institutes and camps; and every year new impetus was given the work by those who attended these gatherings.

In January 1948 the first Leadership Conference was held. This conference has been held every year and has proven of untold value in developing the work of Woman's Missionary Union and the Auxiliaries. The leadership meetings have since been changed to September of each year just before the new church year begins on October 1.

In 1950 there were 33 churches with 33 Woman's Missionary Unions enrolling 816 adults and 722 young people. In 1952 the number of Woman's Missionary Unions had dropped to 30 with 911 in membership and 680 in auxiliaries.

In 1952 Miss Louise Yarbrough, a Person County native and a graduate of Meredith College was busy as field worker in the Beulah Association. She resigned August 1, 1952, and Rev. Gilmer Beck served as associational missionary 1953-1955. Rev. Hassell Lamm became Beulah's associational missionary in 1956.

During the 1950s Beulah Association's Woman's Missionary Organizations grew in numbers attending and in mission giving. In 1960 the report showed a total of 867 Woman's Missionary Society members and 721 auxiliaries with a total of \$4,218.33 contributed by the women and young people to State, Home, and Foreign Mission offerings. In this decade the circle plan of organization was observed in many Woman's Missionary Societies and missionaries Miss Martha Spence of Chile, Mrs. P. W. Hamlett, retired missionary to China, and Miss Carol Leigh Humphries of Nigeria were speakers at the spring annual meetings during the 1950s.

In the 1960-1970 decade many changes came about in Woman's Missionary Union. In 1963 the diamond jubilee anniversary of Woman's Missionary Union was observed and a history of Woman's Missionary Union was given by Mrs. R. L. Wilburn. In this year our numbers had grown to 962 women and a total of 1,740 involved in Woman's Missionary Union. During this decade a Sunbeam Day Camp was initiated for children, Associational Girl's Auxiliary Rally and annual Young Woman's Auxiliary Banquet for young people were held. The missionary speakers were always a highlight of the annual meeting. Mrs. Burton Davis, missionary to Brazil; Miss Maurine Perryman, missionary to Jordan; Mrs. Archie Jones, missionary to Ecuador; Rev. W. O. Hern, missionary to Jordan; Miss Carol Leigh Humphries, missionary to Nigeria; and Mrs. Robert Hensley, missionary to Bahamas were speakers.

In 1968 Miss Kathryn Bullard, state Woman's Missionary Union director, gave a very informative message on "Changes in Woman's Missionary Union work." Then in 1970 these changes began to take place. The names of all organizations were changed: Woman's Missionary Society became Baptist Women and Baptist Young Women; the Young Woman's Auxiliary became Acteens; Girl's Auxiliary became Girls in Action; and Sunbeam Band became Mission Friends. The Circles became groups called Mission Study Group, Mission Prayer Group and Mission Action Group. We are still giving to missions but with greater enthusiasm as the mission offerings are becoming made churchwide with more people privileged to participate.

"Laborers Together with God," the Woman's Missionary Union motto for 1971-76, causes concern for better work in Woman's Missionary Union. A prayer retreat and other good activities on the associational level were done, such as associational mission studies, a mission fair, a mission fashion show, two prayer retreats, a day camp and an evening of "food, fun and fellowship." In 1976 a special emphasis to enlarge Baptist Young Women caused the growth from 10 organizations to 20 and increased membership to 130 Young Women.

Missionary speakers during the '70s were: Carol Leigh Humphries, Nigeria, and Charles Ray Frye, Malaysia, in 1971; Mrs. Rachel James, Vietnam, 1972; Dr. and Mrs. Charles Tabor, Korea, 1973; Dr. Dwight Baker, Israel, 1974; Miss Sara Ann Hobbs, Director of North Carolina Woman's Missionary Union, 1975; Miss Nancy Curtis and Miss Suthell Walker from

state Woman's Missionary Union spoke at two associational meetings in 1977.

In 1978 Christmas gifts were sent to women in the Women's Correctional Center in Raleigh and this mission project has continued each year since. Bold Teaching, Bold Commitment, and Bold Witnessing are part of Bold Mission Thrust that Woman's Missionary Union has embraced for the coming years. In 1979 six new mission organizations were started in the local churches and Dr. and Mrs. Winston Pearce, Miss Bertha Smith, retired missionary to China, and Dr. Charles Tabor, a medical missionary to Korea, came to inspire the people of Beulah.

At the April 1982 associational Woman's Missionary Union meeting at Roxboro Baptist Church with 137 attending, the past Woman's Missionary Union directors who are still living in this area were presented with a corsage. The six so honored were:

Mrs. W. C. Pulliam - 1950-1953

Mrs. Arch J. Walker - 1954-1956

Mrs. Benjamin E. Berry, Jr. - 1957-1958

Mrs. Fred Gentry (Gladys Reynolds) - 1959-1962

Mrs. Hassell Lamm - 1967-1970, 1981-1982

Mrs. J. J. Woody - 1975-1980

For the first time the associational directors have assistant directors for each age-level to help each local church director with the work of Woman's Missionary Union. Our task is still to teach missions, to study missions, to pray for missions, to give to support missions and to work here in our own community.

The year 1983 was a very exciting year for Woman's Missionary Union. The North Carolina Annual Woman's Missionary Union meeting held at Ridgecrest March 18-19 was attended by 18 ladies from Beulah. At the associational annual meeting Miss Hattie Gardner, retired missionary to Nigeria, was a most inspiring speaker.

Clement, Ca-Vel, Roxboro and Berry's Grove churches were represented at the appointment service for Mike and Linda Branscome to Venezuela and Phillip and Elizabeth Oakley to Benin on May 24, 1983, at First Baptist Church, Richmond, Virginia. Beulah Association honored the Branscomes, pastor of Berry's Grove Church; the Oakleys, Person County natives; and Hulon and Nina Welch, Mount Harmony Church mission volunteers to Belize; and Carol Leigh Humphries, missionary on furlough from Nigeria, at a tea at Berry's Grove Church on August 7, 1983.

Eight people from the Timberlake Baptist Church (newest Woman's Missionary Union, 1980), Rev. and Mrs. Harold McNabb, Charlie and Peggy Stone, Rodney and Shelia Nichols, Kathy Reaves and Tom Barton; one from Berry's Grove, Edna Moize and one from Roxboro Baptist, Inez Rogers, participated in witness saturation effort in Pennsylvania June 5-10, 1983, sponsored by the Home Mission Board and the South Jersey/Pennsylvania Convention.

Beulah Woman's Missionary Union is reaching out beyond its borders. The emphasis for 1983-1984, "Partnership in Prayer and Ministry," is to help Woman's Missionary Union members to understand the partnership nature of missions in relation to prayer and ministry by undergirding Bold Mission Thrust through sustained, informed praying and respond to opportunities for mission action and personal witnessing. The records for 1984 show \$339,145 total mission expenditures in Beulah Association.

In 1984-1985 we have seen continued growth in numbers and dedication to missions in Beulah Association. Francis and Bonnie Lunsford Smith were appointed missionaries to Chile in 1985. Francis served as youth director at Mount Harmony Church from 1977-1980. Bonnie is a Person County native.

Paul and Bessie Oakes from Calvary Church departed September 29, 1985, for Togo and served four weeks as volunteers.

We have been challenged to double our membership by the year 1988 when the Southern Baptist Convention Woman's Missionary Union become one hundred years old. We believe Beulah can because we have shown an increase in the last three years in all age-levels of Woman's Missionary Union.

Our challenge is to apply I John 3:8, "Our love should not be just words and talk; it must be true love which shows itself in action."

Sunday School Report

At the November Pastor's Conference a four part video on James was provided by the Sunday School Board. This was preparation for January Bible Study. Also in November we had a person from Southeastern Seminary come and teach an introduction to the Outreach Bible Study Materials. This was to instruct us on the use of the materials that will be used in our 10/90 Campaign. Ten (10) churches were represented and nineteen (19) people present. Each church is requested to have one Outreach Bible Study for the Youth and Adults in the coming year.

The Assist Team attended a training session in February at the Ardmore Church in Winston-Salem. Each year we have an Associational Training School where a teaching book is taught to help individuals in the local church.

On September 14, we combined our Associational Training School with Key Leadership. The results were fantastic. We had 144 people present from seventeen (17) participating churches.

The emphasis this year has been training the workers, setting goals and having two (2) Outreach Bible Studies.

The American Bible Society Report

Since 1816, the ABS has been working to serve the Scripture needs of this nation.

Praise God for the continuing partnership of the Southern Baptist Convention in the worldwide Bible cause! Your faithful prayer and financial support make a vital contribution to the American Bible Society's global program of Scripture translation and distribution.

With your help many of the opportunities the Lord has given us to share His Word with people throughout the world are being met. Through the United Bible Societies, the international cooperative network of national Bible Societies of which the American Bible Society is a leading member, 600,128,459 copies of Scripture were distributed worldwide during 1986 — an increase of 9.4 percent over 1985.

We still believe that Acts 1:8 holds true today; "But ye shall receive power after that the Holy Ghost is come upon you, (Pentecost) and ye shall be witnesses unto me both in

Jerusalem (Home), and in all Judea (next door neighbor), and in Samaria (Home Missions), and unto the uttermost part of the earth (Foreign Missions).

We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it has always done. In 1986 Southern Baptist churches gave \$272,277 to the American Bible Society in support of the worldwide Bible cause.

We rejoice in this dynamic and historic partnership and depend on your support as we continue to reach out with the Word in the years ahead.

Avery Marshall

Baptist Children's Homes of N.C. Report to the Association

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.

2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.

3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.

4. Partnerships in cooperation with WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. **OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES.** We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Raleigh Area: The Raleigh Area Family Services Center provides services for families in the following counties; Chatham, Durham, Franklin, Granville, Johnston, Lee, Nash, Orange, Person, Vance, Wake and Warren. Even though the Kate Parham Watkins Emergency Child Care Center is the only Children's Homes facility located in this area of our state, all services of the Homes are available through this office.

Through your faithful prayers and generous gifts, we continue to be laborers together for God thus we are grateful for the opportunity to serve with you.

The Baptist Retirement Homes of North Carolina, Inc.

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population. . . the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes'" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.
2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.

3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.
4. Most said they learned about the colleges through the *Biblical Recorder*. The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.
5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."
6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

More About North Carolina Baptist Colleges

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broadbased education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

Evangelism Report

Southern Baptists are an evangelistic people. Baptisms increased by 3.43% in the 1985-86 church year, an increase of over 12,000. This increase was a direct result of last year's Good News America, God Loves You simultaneous revival effort. Over 27,000 Southern Baptist churches participated, baptizing 103,000 into our churches. These baptisms represent about 28.2% of the total baptisms for the year.

Our attention now turns to the next simultaneous revival effort scheduled for March 18-April 29, 1990. Will we commit ourselves to prayer and preparation as we look forward to another great outpouring of God's Holy Spirit?

Associational Church Training Report

The 1987 Associational church training events centered primarily on our youth. A New Year's Eve Rally was held at Bushy Fork gym. Three other opportunities were made available for the youth of our association to "mix and mingle" in Christian fellowship. Norman and Angie Band, "Promise," and Sharyn Oakley provided Christian music and entertainment for these events. Attendance has not been what the youth committee had hoped but those who have been present have left with a smile.

I would like to thank the churches who have supported this ministry. Special thanks also to Ellen Melton, Sandi Brady, "Pete" Buchanan, and Marian Whitt who served faithfully on the youth committee.

Seminary Extension Report

Southern Baptist seminaries have been offering off-campus theological training through the Seminary Extension for 36 years. During 1986-87 the Yanceyville Baptist Seminary Extension Center sponsored by The Beulah Baptist Association was part of the network of more than 400 similar centers throughout the country.

The past year, the center offered two courses. I taught "Church Growth" last fall at First Baptist, Yanceyville and "Great Men of the Bible" in the spring at Caswell County Prison. For the year, a total of thirty-nine persons enrolled in the courses offered through the center.

While Seminary Extension courses are designed primarily for pastors and other ministers who have missed out on seminary training, many lay church leaders also have used the

courses to strengthen their own ministries. Some seventy ministry-related courses are now available from the Seminary Extension Department. In addition to being offered through centers such as the one in the Beulah Baptist Association, most of these courses also are available for correspondence study.

Bob Baynard, pastor of Somerset Baptist Church, has recently been certified by the Seminary Extension Department to teach courses in the Beulah Association. Bob Baynard will be teaching "Great Men of the Bible" at the Roxboro Prison unit this fall. I will also be offering a second course, "The Life of Christ" at the Caswell County Unit. I greatly appreciate the prayer and financial support of this significant ministry.

Brotherhood

The enrollment of the Beulah Associations thirty-four churches, Brotherhood five hundred sixty-six and R. A.'S four hundred sixty-seven. Our state director received our statistics showing three fourths of one percent increase over last year with sixty-nine thousand and thirteen enrollment hoping for seventy-five thousand next year. Let all men remember we are developing tomorrow's leaders through today's actions and there is no telling what we can do, if we but had the faith and courage to do. The 1987-88 year will allow opportunities for Baptist men to minister in ways in which we have never done before.

While attending the Lay Leadership Conference in Ridgecrest we learned that there will be changes in the literature and age groups of the R. A.'S.

On September 3rd, the Beulah Association Brotherhood Conference meeting was held at the Westwood Baptist Church this meeting was attended also by the W.M.U. to discuss R. A. changes and learn more about Missions. We had thirty to attend for which I thank God and everyone that came.

Thanks to the good Lord who gave me a mission trip in June with twenty-three other North Carolinians, we had sixteen exciting days in Holland, Germany, England and Wales. In Frankfurt, Germany we were met by Rev. John Merritt, Secretary of Baptist World Alliance, he divided us into groups of four, to go to five churches in Germany for Lay Revival Weekend. Our group went to Nurnburg Baptist Church, Rev. Wesley Crenshaw, Pastor with one hundred members made up of our U.S. overseas service men, wives and children. They really need and enjoy their church in Germany, there I saw our mission monies in action. From Germany we traveled to England and to Cardiff, Wales, four days World Conference of Baptist men. There we met and heard testimonies by men from all over the world. I learned that God's great arms of love encircles the whole world, but with all the trouble in the world today the need is great to present to all the world the living Christ. Next year the 11th Baptist Youth World Conference will be held in Scotland expecting one thousand youth.

Many have been going from Beulah to Caswell Baptist Assembly and other places to give free labor tearing down and repairing buildings. We went down September 11-13 to attend N. C. Baptist Board Meeting. The high-light was Dr. James Smith, President to S.B.C. Brotherhood Commission from Tennessee. Sharing a mission challenge one million in money to be raised and sending seven thousand volunteers to overseas projects. Let us walk the way Jesus wants to walk by staying in step with him.

North Carolina Baptist Hospital Report - 1987

According to Calvin Knight, director of church and community relations at our Baptist Hospital, North Carolina Baptist can be extremely proud of their hospital and the trustees who oversee the institution's operation. The hospital continues to produce many miracles in healing; and the trustees are in the best sense worthy of the trust committed to them by North Carolina Baptist.

May we thank God for this marvelous healing institution; and say a special prayer for the outstanding men and women who oversee its operation.

The Biblical Recorder

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder*!

The state Baptist paper for North Carolina always tries to tell it like it is—the good, the bad, the victories and the warts—with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, out Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain—only \$5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than \$90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

Executive Committee Report

The Executive Committee met at the Roxboro Baptist Church on January 19, 1987. Reports from all officers and committees were heard. We were informed that the Pine Lake Corporation was being dissolved and that the lake was being divided and that the owners on each side of the lake would get one half of the lake joining their property. Each owner was being asked to give \$25.00 for drawing up the deed.

The Executive Committee met at the Beulah Baptist Church on May 18, 1987. Reports from all the officers and committees were heard. A period of silent prayer was observed for Mr. M. Q. Plumblee. The Nominating Committee made the following recommendations:

Sunday School Director - Rev. Bob Baynard
Church Training Director - Rev. Stanley Hare
Seminary Extension - Rev. Stanley Hare
Brotherhood Director - Mr. Wallace Tingen
WMU Director - Jeannie Carver
Music Director - Miss Sandi Brady
Chairman of Evangelism - Rev. Talmadge Wilcox
Pastoral Ministries Director - Dr. Don McKinney

This report was approved by the Executive Committee. The Associational insurance was changed to the Farm Bureau with a saving of \$71.00.

The following Resolution was adopted with only three dissenting votes:

WHEREAS Roxboro Baptist Church has adopted a policy that accepts some members into their church who have not been immersed and have not changed position as requested by the association body,

WHEREAS this Association stands firmly on the conviction that baptism by immersion is Christ's command for all believers,

BE IT THEREFORE RESOLVED that Roxboro Baptist shall be considered a "differing" church until such time as their present position is changed.

BE IT FURTHER RESOLVED that the Association request Roxboro Baptist to send notice of the baptism status when granting a letter to a sister church.

BE IT FURTHER RESOLVED that the Association desires that no other churches consider such a policy.

BE IT FURTHER RESOLVED that the Association take action to insure that all messengers and officers to this body shall be immersed believers.

AND BE IT FURTHER RESOLVED that, with this admonition of love, the churches of this association rejoice in our common beliefs and purposes, and proceed with the work that God has called us to do.

The Executive Committee met at the Roxboro Baptist Church on September 19, 1987. Reports from all officers and committees were heard and acted upon. The committee requested that the Stewardship Committee and the Property Committee look into the matter of purchasing a copier and bring a report and recommendation to the annual meeting.

Rev. Hassell Lamm, Sr.

The 1988 Book of Minutes are dedicated to the Rev. Hassell Lamm, Sr., for 32 years of faithful leadership and dedicated service to the Beulah Baptist Association as Director of Missions.

Rev. Hassell Lamm, Sr.

Rev. Hassell Lamm, Sr. was born July 2, 1917, at Spring Hope, North Carolina in Nash County. He is the son of the late Daniel and Fannie Lamm. He graduated from Spring Hope High School in 1938, receiving the Best-All-Around student award. He received a football scholarship to Wake Forest College, but due to a back injury was never able to play.

At age eighteen, Mr. Lamm felt God calling him to the ministry and in the fall of 1938 he entered Wake Forest College as a ministerial student. After he had been in college two years, his mother became ill with a terminal illness, and after her death he had to drop out of college. He worked for the Atlantic Coastline Railway Company in Rocky Mount, North Carolina.

In 1944 Mr. Lamm met Margaret Booth, who would become his wife. They were married March 7, 1945. He began working for Provident Life Insurance Company. A daughter, Margaret Carol, was born in 1947.

Mr. Lamm, still feeling God's call to the ministry, sold his house and his family moved to Wake Forest in January 1948. He attended school in the morning and worked second shift at Glen Royal Cotton Mill. He graduated from Wake Forest College June 5, 1950, with a Bachelor of Science Degree.

In 1950 Mr. Lamm received a call to pastor Black Branch and Mount Zion Baptist Churches in Chase City, Virginia. He was ordained into the gospel ministry by First Baptist Church, Rocky Mount, North Carolina. In 1951 he was called to pastor a field of three churches: Alton, Black Walnut and Crossroads Baptist Churches near South Boston, Virginia. After two years, Black Walnut went full-time.

Beulah Baptist Association, composed of two counties, Person and Caswell, called Hassell Lamm, Sr. in 1956 to become Associational Missionary. The title was changed to Director of Missions in 1975. The Lamms moved to Roxboro, North Carolina March 1, 1956. A son, Hal, was born in 1956 and another son, Tom, was born in 1958. Mr. Lamm received the Master of Divinity Degree from Southeastern Baptist Theological Seminary in 1962.

During Mr. Lamm's ministry in Beulah Association, three churches were started: Somerset, Westwood and Timberlake, making thirty-three churches in the association.

On October 5, 1975, the Roxboro Baptist Church celebrated Mr. Lamm's 20th anniversary. A plaque was presented to him with the inscription "We, the people of Beulah Baptist Association, present this plaque to our Superintendent of Missions, Rev. Hassell Lamm, Sr., in appreciation for twenty years of faithful leadership and dedicated service."

Mr. Lamm has truly served Beulah Baptist Association faithfully and well for thirty-two and a half years, and also served as clerk for thirty years. He retired September 30, 1988, but will continue to live in Roxboro where he bought a home at 1107 Burlington Road.

Pastoral Ministries

This position in our association has little or no background in terms of precedent or action. It is a fairly new office. There are many things that may be done in the area of ministry to the pastors or to the churches looking for a pastor, or where there is a problem between church and pastor. Most of these things must be carried out on the basis of a specific request on the part of the church or a pastor. I am available to serve you upon request but will not in any way try to interfere with any church's or pastor's needs.

Fellowship between pastors and between churches is one of my greatest concerns. I covet your prayers that we may cooperate and support each other with a positive, loving attitude instead of a negative, suspicious attitude. We can disagree about some things without being disagreeable. Let us lovingly pursue that. May the Lord bless you in your work.

Respectfully submitted,
A.B. Greene, Jr.

Brotherhood

At the May general board meeting of the Baptist State Convention, the Brotherhood Department of North Carolina and Baptist Men were merged into one organization and granted auxiliary status by this body. This step will make men and boys' work in North Carolina on an organizational basis, the same status as WMU.

It means that we as brothers must assume we have much responsibility with a determination to work very closely with all who wish to uplift Christ. Our function will continue in the local church to involve men and boys in Missions. We will continue to use the materials from the S.B.C. Brotherhood Commission for the ongoing program in the local Church.

Last year's top goal was 10,000 Bibles for Soviet Union; Baptist men in our state were responsible for \$50,000. When it was all tabulated, \$54,240 was raised. This would purchase 10,865 Bibles. A check has been sent to the Baptist World Alliance.

Key Leadership Conference, Ridgecrest in May, topic "Sharing the Dream in 88-89" No-1 Men in Mission Video on Cable TV, No-2 Promotion of Baptist Men on TV, No-3 Men in Missions Video asking the churches to subscribe to six Video tapes a year for \$36.00 or \$6.00 per issue, sent to your Church every two months.

North Carolina men will do mission work maintaining buildings at the four Baptist Children's Homes and Mars Hill College Chapel.

North Carolina Baptist Men has committed to build the first unit of every mission Church in our state. This will be done by having men in the Association in which the Church is to be constructed, along with men in adjoining associations working together. Example: This year Yates Association had a Mission Church just beyond Durham, North Carolina named Leesville Road Baptist Church, started this spring and finished by fall.

Men in Beulah, Flat River, Mount Zion, Raleigh and Sandy Creek Associations' joining and cooperating with Yates accomplished this mission. The Bible promises so much, but we are experiencing so little.

God has an abundant life for all his children. "Obedience to God is Essential."

Seminary Extension

Almost half of all Southern Baptist pastors still do not have seminary training. The percentage is even higher for other church staff members. The Beulah Baptist Association helped respond to this need during 1987-88 by sponsoring a Seminary Extension center. It was one of almost 400 such centers all across the United States, bringing basic theological studies within easy reach of every Southern Baptist. The Yanceyville Baptist Seminary Extension Center has been in operation since 1987.

Nine students completed "The Life of Christ" in the Caswell County prison unit this past fall. Eight students completed "Great Doctrines of the Bible" in the Caswell County prison unit this past spring. Seventeen students also completed "The Life of Christ" at the Baptist Retirement Home in Yanceyville in the spring.

Course materials are developed by the Seminary Extension Department, which also establishes uniform educational standards for all the centers. The Seminary Extension Department is a jointly sponsored ministry of the six Southern Baptist seminaries. The department also makes its courses available for correspondence study. Anyone who has an interest in enrolling in a course or teaching a course should contact Stanley Hare.

Thank you for your prayers and financial support for this vital ministry.

North Carolina Baptist College Report - 1988

WHAT IS A BAPTIST COLLEGE?

First, Baptist colleges are *colleges*, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "*Baptist*" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Achteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by North Carolina Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

Music

The music emphasis for 1988-89 is to support the goals of Bold Mission Thrust in reaching people, developing believers, and strengthening missions.

In our major event for the year eight choirs joined together for an evening of worship in song at Ca-Vel Church on July 17. Each choir shared selections individually and joined together for "Worthy Is The Lamb." An Associational Instrumental Ensemble was organized and joined in the event along with the Director/Accompanists Ensemble. The church was filled for an evening of worship and praise, and a time of fellowship together.

Linda Newsome, a state approved worker, conducted a Children's Choir Leader Clinic September 17 at Roxboro Church.

Choir Directors held five meetings during the year for planning and rehearsing.

The annual Leadership Conference was held at Somerset Church on September 13 with seven churches represented.

An Associational Adult Choir was organized to sing at the Annual Meeting in October. The Associational Instrumental Ensemble also shared in this event.

Your music director attended a Key Leadership Conference at Ridgcrest and a Music Retreat at Caraway.

Thanks to the many people who helped make this a successful year. We look forward to new goals in growing together as we reach people through music in the coming year.

Nancy Wilkerson, Director

North Carolina Baptist Hospital Report - 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The \$140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been \$181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs... as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than 17 years, submitted his resignation. The trustees have appointed a Search Committee, which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received \$659,062 through the Cooperative Program and \$290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Joe Wright

Evangelism Report

Evangelism is a top priority for Southern Baptists. In the Summer of 1988 the Association purchased Bibles, both English and Spanish translations, which were distributed by the Mt. Harmony Baptist WMU at the Person County Fair in September.

Churches are encouraged to plan ahead for the 1990 simultaneous revival effort to be held between March 18 and April 29 of that year.

Rev. Talmadge Wilcox who started the year as Chairman of Evangelism moved from the Beulah Association, leaving a vacancy in this position. I agreed to serve as acting chairman and to begin plans for the 1990 simultaneous revivals.

Dr. Ray N. Howell, III
Acting Chairman

Sunday School Report

At the November Pastors' Conference a four-part video on Malachi was provided by the Sunday School Board, to help with January Bible Study preparation.

The ASSISTeam went to Cary on February 5 and 6 for a two-day training session. There we learned what the state goal was in each of the following areas: Enrollment, Outreach Bible Study, Weekly Worker Meeting, Persons Trained in Evangelism, New Sunday Schools started and Sunday School Leadership Diplomas Earned. Each church in the Association is asked to set a goal and then inform the Association Sunday School Director. In this way we can do our part in the 10/90 people challenge.

On September 13, we had our Associational Training School along with our Key Leadership. The attendance was fantastic, but we only had 117 people sign attendance cards. We do know from that, there were 18 churches participating.

The emphasis will be to set goals in the above and to train Sunday School workers in Evangelism.

The Biblical Recorder Associational Report - 1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it . . . if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs, it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only \$5.00 per subscription for the year. Special introductory offers are available. Please contact:

Baptist Children's Homes of N.C. Report to the Association

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustess, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long-Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by

1992-93. We hope that by 1993, the Baptists of North Carolina will be giving 50 percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

UPDATE FROM THE RALEIGH AREA FAMILY SERVICES CENTER:

The Raleigh Area Family Services Center provides services for families in Chatham, Durham, Franklin, Granville, Johnston, Lee, Nash, Orange, Person, Vance, Wake and Warren. All services of the Baptist Children's Homes are available through this office.

In August 1987, Mrs. Lou Russell, Development Officer in the Development Department, transferred her office to the Raleigh area.

During the summer, the Raleigh office moved next door to the *Biblical Recorder* at 230 West Millbrook Road, Raleigh, NC 27609.

We are grateful for the opportunity to share Baptist Children's Homes services with people in the churches and communities.

Baptist Foundation Report to the Associations 1988

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know." Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son *and* the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift," that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded." The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Marjorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record \$14,452,258. Trusts already in place provided \$578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

Missions

The Missions Committee has been very active this year. We have had numerous meetings with all members participating and contributing in an excellent manner. The areas we dealt with are as follows. First, we received an application from a group who were meeting for worship, and they requested to become a member church of our Association. We worked faithfully and fulfilled our duties, but have no positive results to report. There also was discussion and some soul-searching about Migrant and Prison Ministries.

During the year our Chairman, Rev. Womack Keck, was lost due to being called to another work. Due to his initial work, the Missions Committee recommended to the Executive Committee that we start at least one new work in our Association this coming year, and that a probe of Person and Caswell Counties be made to discover the location of a possible new church and also to determine other types of ministry that may be needed. This was done on August 29, 1988. The results are:

Priority Site No. 1 - Timberlake Area - Build a New Church

Priority Site No. 2 - Hyco Lake Area - Resort Ministry

Priority Site No. 3 - Roseville Area - Bible Study Group

These will be presented to the Annual Meeting for action to be taken.

So the challenge is great and commitment is needed to be made by each of us this coming year if this work is to be done. May God help each of us to get the vision and get caught up in the excitement of this venture.

Clyde Everett, Chairman Missions Committee,

Baptist Retirement Homes

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for older adults within a Christian context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believes this message offers older adults the meaning, purpose, and dignity needed to enrich their lives.

The hallmark of the Homes' ministry is the quality of its care. It is a distinction that is present at all levels, in all locations, in all services. The Homes takes seriously its responsibility to make its residential opportunities available to older adults across the state and to be continually responsive to the needs of older adults as those needs expand and change.

With that in mind, the Homes operates facilities in locations across the state: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of older adults from all over the state.

Older adults have differing needs, and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offers independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

II. NEED

According to a January 1987 Report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 (40.6%) by the year 2000.

Statistics for the North Carolina Baptist older adult population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50 percent by the year 2000. Attempting to address this great challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

1. THE DEVELOPMENT OF REGIONAL CONTINUING CARE RETIREMENT COMMUNITIES.

A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

2. THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY.

In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail older adults to continue to live independently in their homes with some assistance.

The Homes believes that the ability to remain in one's own home as long as possible can benefit older adults by enhancing both their quality of life and their life-span. Fixed incomes and meager resources mean that older adults are also benefited as they seek to use their funds prudently: there will be no charge for the Home Health Care services. The Homes also believes there is an enormous segment of the older adult population that is not yet in needs of residential care but does need the kind of "light nursing" that this concept of Home Health Care provides.

3. THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING.

The fastest growing segment of North Carolina Baptist life is the older adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist older adults requiring service within a residential environment cannot afford the cost of that care.

Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church-owned parsonages or have been given housing allowances, thereby never developing home equity, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later years. The Homes feels a particular commitment to these individuals and has responded as much as the parameters of its Benevolent Care Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with older adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the older adults of our state.

American Bible Society

Since 1816, the ABS has been working to serve the Scripture needs of this nation. We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it has always done. The entire Program of Bible Society work is founded on these basic missionary principals:

- * People must have the Bible because it presents Jesus Christ, the only hope of men and nations.
- * Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.
- * The Bible is the essential tool of missions and evangelism.
- * The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave.

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist work.

We praise God for the continuing partnership of the Southern Baptist Convention in the worldwide Bible Cause. Your faithful prayer and financial support make a vital contribution to the American Bible Society's global program of Scripture translation and distribution.

Did your church make a gift this year? If not, please do so. Please send gifts to your Baptist State Office marked "for the American Bible Society."

Christian Life and Public Affairs Committee Report

The Christian Life and Public Affairs Committee of the Beulah Baptist Association sponsored an Effective Parenting Seminar on May 15, 16, and 17, at the auditorium of Piedmont Community College. Forty-five persons enrolled in the seminar designed to present information to parents helpful in their task of rearing children.

The seminar leader was Dr. Robert Newton, Director of the Department of Christian Family Life of the Baptist State Convention of North Carolina. Dr. Newton has developed materials for parents for the denomination entitled, "Parenting By Grace" and has produced a series of video presentations under the same topic. We commend these materials to the churches.

The topics discussed in the seminar included: "Parenting Relationships That Foster Growth," "Preparing to Parent Teenagers," and "Crisis in the House - Peril and Opportunity." The participants in the seminar found it to be a most helpful and enjoyable experience.

On May 5, 1988, the Executive Committee of the Association passed a resolution opposing a Pari-Mutuel Gambling Bill that was being considered by the state legislature. This resolution was not sent to area legislators at this time because SB 732 was not considered at the last session. However, with the popularity of lotteries and pari-mutuel racing in other states, we are sure to face this in the future. The resolution will be sent at the appropriate time to be most effective. We encourage the churches to become informed about gambling issues by sharing the attached resolution with their congregation and by reading the book by Larry Braidfoot of the SBC Christian Life Commission entitled *Gambling, A Deadly Game*.

The Committee also desires that the churches support the Offering for World Hunger promoted in October of each year. If this date is not best for your church, you may select another time to take this action. There is no better way to feed a hungry world than through the channels of our SBC program.

Respectfully submitted,
Ron Boswell, Chairman

EDITOR'S NOTE: The following resolution has been prepared as a model for your Church, Sunday School Class, civic club, community group, etc. to pass. Mail copies to your State House and Senate members.

RESOLUTION ON GAMBLING (SB 732: Pari-Mutuel Bill)

WHEREAS, gambling has become a \$177 billion industry in the United States with organized crime reaping some \$22 billion annually from illegal gambling operations;

WHEREAS, Senate Bill 732, a Pari-Mutuel Gambling Proposal, will be considered by the 1988 session of the General Assembly of North Carolina;

WHEREAS, the General Assembly of North Carolina should not enact legislation that would be bad public policy for the state;

WHEREAS, states that have sought to resolve their fiscal woes by legalized gambling have achieved minimal success;

WHEREAS, the economic claims of the pari-mutuel industry's effect upon a state's economy are highly exaggerated, incomplete, and misleading;

WHEREAS, pari-mutuel gambling preys upon the weaker and more susceptible members of society;

WHEREAS, studies in pari-mutuel gambling states reveal the heavy involvement of minors in pari-mutuel gambling;

WHEREAS, pari-mutuel gambling and organized crime activities are interrelated and illegal gambling flourishes when legalized gambling is permitted;

WHEREAS, U.S. Senator Sam Nunn of Georgia reported: "Based on hearings on organized crime before my subcommittee on criminal investigations, I found that organized crime is attracted to gambling, whether legal or illegal, like iron is to a magnet."

WHEREAS, the Chief State's Attorney of Connecticut, Austin McGuigan, said: "I tell you categorically there is not a (legal) gambling facility in the United States that does not have ties to organized crime. . . . none!"

WHEREAS, former FBI Director and now the CIA Director, William H. Webster noted: "We know of no situation in which legalized gambling was in place that did not eventually have organized crime. . . . I really don't see how one can expect to run legalized gambling anywhere without serious problems. . . . Anytime organized crime sees an opportunity to put a fix on something, it will be there."

WHEREAS, U.S. Senator Lawton Chiles of Florida has observed: "In our (Florida) pari-mutuel operations, we have not been able to keep the underworld out."

BE IT THEREFORE RESOLVED THAT the Beulah Baptist Association meeting on May 2, 1988, requests that you oppose Senate Bill 732, the Pari-Mutuel Gambling Proposal, when it is considered in committee or on the floor during your 1988 legislative session.

WMU Report

"Launching Century 2" was the theme for WMU in 1988-89. As WMU began a new century in missions, new manuals for all of the WMU organizations were studied. The Beulah Association WMU held manual studies for all of the churches on January 15 at Rock Grove Baptist Church. We had 50 WMU leaders representing 11 different churches at these studies.

All churches were encouraged to have a church-wide Foreign Mission Study in November and to observe the Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering during the week of December 4-11.

In addition to sending \$338.00 to the Woman's Correctional Center Christmas Project, the WMU had the opportunity to reach out in our Association with "goody" bags for the migrant workers as they arrived. The WMU also sponsored a Christian booth at the Person County Fair in September to witness by passing out Bibles and other Christian literature.

Focus on WMU was observed during the week of February 12-18. Also in February, the WMU held their Home Mission Study. Week of Prayer for Home Missions and the Annie Armstrong Easter Offering were observed from March 5-12.

The State WMU Annual Meeting was held in Fayetteville, N.C., on March 31-April 1. There were several women from Beulah Association in attendance at this meeting.

This was a busy year for the Acteens as they held their National Acteens Convention in San Antonio, Texas, in July. Beulah Association was well represented in San Antonio as we had several churches sending their Acteens.

The Beulah Association WMU Annual Meeting was held at Mt. Harmony Baptist Church on April 18. Special guest speakers were Francis and Bonnie Smith, missionaries to Chile.

WMU Week at Ridgecrest was July 2-8.

The Associational WMU Council received training at Caraway on July 27-29. They came back enthused and eager to share with us at our WMU Leadership Conference on September 7, held at Somerset Baptist Church.

There was a group of volunteers from Clement Baptist Church that went to Florida this summer. While there, they helped with Big A Clubs and Backyard Bible Schools.

As WMU begins another century of missions work, are we doing what God would have us to do in missions? Are we doing all we can to be the missionary that He has called each of us to be?

Jeannie R. Carver, WMU Director

Brotherhood Report

The Brotherhood this past year of 1988-1989 has tried to produce a greater interest to the churches to have Brotherhood functions in Baptist Men, RAs, and Baptist Young Men. We have started five new Brotherhoods in the Association and looking for 100 percent participation in all 34 churches next year. This will have to be done under the direction of our Lord in the way of "Missions Are Important." We are mission-minded men and action is the result to growth. So, let's get our prayers, actions, and love for our Jesus on the move.

While attending the Key Leadership Conference in Ridgecrest, we learned that the Baptist Men of North Carolina will be broken down into regions. The Beulah Association will be set in REGION 4 which includes Sandy Creek, Mt. Zion, Flat River, W.R. Cullom, Tar River, Yates, and Raleigh Associations. This region will be under the direction of BILL LAW. The region principle will give better communication with North Carolina Baptist Men's Office in Cary, North Carolina, and support for each Brotherhood of the Associations. We also learned of Home Land Mission Projects. Medical Bus, and reports on the progress of North Carolina Baptist Men in our state.

The Beulah Brotherhood offered training for new officers in the year of 1989-1990. This was given at Camp Caraway, Asheboro, North Carolina. We had two people to go for this training, Mr. Randy Queen and Mr. Donald E. Harris. Rev. Jim Whitehead could not go, but has been trained by North Carolina Baptist Men of Cary for the area of RAs. We hope to offer this training next year.

The Brotherhood of the Beulah Association is now working on a mission trip to Costa Rica, which is to be sent out in February of 1990. This "mission trip" will be for the purpose of building a chapel for the people of Costa Rica. We will have three teams of 12 for a period of three weeks work on the chapel. The time and dates have been set and the Lord is now providing for the trip. Your prayers and support are needed.

We had a Brotherhood Annual Meeting on September 7, 1989, at Somerset Baptist Church with 33 men and one woman present. This meeting was set to train Brotherhood Directors, Baptist Men Presidents, RA Leaders, and Baptist Young Men. We had two men to come out of Cary to offer training to these people. We feel that was a great success.

Your support for the year of 1989-1990 will be needed. We can do great work for our Lord, but your Brotherhood must be willing to "do." If you can make words into action, then all will come under the direction of our Lord. So, let's get going in "missions." Thank you for your support and prayers.

During the year, letters were sent to pastors and to area legislators concerning our opposition to a state lottery. The Bill is certain to be brought up again and deserves our action. The most effective method of addressing the issue is not to preach at elected officials, but to let them and our congregations know of the practical and moral issues involved. Some of these issues are:

1. The proponents' claim of increased revenues are excessive for they do not account for administrative costs and the fact that income from lotteries tends to decrease each year.
2. State lotteries have the poorest pay off of any form of gambling for each dollar bet.
3. Lotteries are a form of regressive taxation meaning that the greatest appeal is to the lower socio-economic classes of society, thus taking from them a disproportionate share of revenue. (Welfare checks meant to feed children are used to buy lottery tickets.)
4. Lotteries do not reduce but stimulate illegal gambling and increase the number of gambling addicts.
5. Lotteries "educate" our children that they can get something for nothing.
6. Lottery proponents give the false impression that it supports the full weight of education which encourages future law makers and tax payers to reject needed school funding.

Make sure your church has a copy of *Gambling, A Deadly Game* by Larry Braidfoot, available at the Baptist Book Store. Also, the *General Assembly Guidebook* from the State Conventions office is helpful.

RESOLUTION TO BEULAH BAPTIST ASSOCIATION

WHEREAS, the State Legislator is considering a state-run lottery in North Carolina;

WHEREAS, the proponents' claims of increased revenues are excessive for they do not account for administrative costs and the fact that income from lotteries tends to decrease each year;

WHEREAS, state lotteries have the poorest pay off of any form of gambling for each dollar bet;

WHEREAS, lotteries are a form of regressive taxation meaning that the greatest appeal is to the lower socio-economic classes of society, thus taking from them a disproportionate share of revenue (welfare checks meant to feed children are used to buy lottery tickets);

WHEREAS, lotteries do not reduce but stimulate illegal gambling and increase the number of gambling addicts;

WHEREAS, lotteries "educate" our children that they can get something for nothing;

WHEREAS, lottery proponents give the false impression that it supports the full weight of education which encourages future law makers and taxpayers to reject needed school funding;

BE IT THEREFORE RESOLVED THAT the Beulah Baptist Association, meeting in annual session on this seventeenth day of October, nineteen hundred eighty-nine, go on record in opposition to such a bill and pledge ourselves to monitor the votes of our area legislators, considering their position on this matter when we go to the polls.

Church Training Report

Two (2) churches, Beulah Baptist and Roxboro Baptist, participated in an Associational Children's Bible Drill (Grades 4-6) on a Sunday afternoon, April 23, 1989, at the Roxboro Baptist Church. There were eight (8) participants — six from the Roxboro Church and two from the Beulah Church. The boys and girls did real well, and the drill was well attended by parents and church friends. It was a real good, positive experience for all who were involved. Six (6) qualified for the State Bible Drill. They attended the State Drill at the First Baptist Church, Asheboro, May 13, 1989.

This is a tremendous program and we commend these two churches for sponsoring the Bible Drill; and, the children for working hard and being involved. These two churches and the children are setting a good example. May there be other churches, with their leaders and children, to follow.

Sunday School Report 1988-89

At the December Pastors' Conference a four part video on John was provided by the Sunday School Board to help with January Bible Study preparation.

February 4 the Assist Team went to Cary to be trained for the Associational Training School and Leadership Training in September.

On May 1 we had our Associational Training School. We taught the Understanding Series books to each age group workers. Because of bad weather, we had only 64 people representing 12 of our churches.

September 12 we had our Associational Sunday School Leadership Training Session. We had 48 people from eight churches. Also, this month, on September 22 our Assist Team went to Caraway for more training.

In the coming year we are working under a big umbrella. That umbrella is called Share Hope - Reach Ten. We have several stages of emphasis to help move us toward the completion of the 10/90 Campaign. October is Outreach Month. Also, we will have a People Search (Survey)/Scripture Distribution on October 22 for all the churches participating in the 1990 Simultaneous Revival.

Christian Education Report 1989-90

We now live in a day when the importance of education is a very common conversation. It is every parent's dream for their child to receive the training needed to help them secure a good vocation. Perhaps the only thing that could surpass a quality education is the privilege to receive it in a Christian setting.

As North Carolina Baptists, that is our goal as we support colleges and universities located from the coastal plains to the mountains. Therefore, let us commit ourselves to making these places become all that they can be as they help our young people reach that same end.

A final word is in order about Christian education. Although we generally think of a college setting, let us not forget that our churches should fulfill this same role. Our denomination offers a variety of resources through its many magazines, periodicals, and literature published by the Sunday School Board. Failure to use these resources does two things: (1) It leaves our people in darkness with regard to Baptist activities and events. (2) It fails to help improve these publications as they seek to meet needs in the life of our people.

In conclusion, let's make Christian education more than just a dream in the mind of parents. Let us make it a way of life in the ministry of our churches.

Baptist Hospital Report to the Association 1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the Air-Care helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year, the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year, Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Joe Wright

The *Biblical Recorder* Associational Report - 1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An ever greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. Baptist Children's Homes of North Carolina, Inc.

Annual Associational Report

Michael C. Blackwell, President

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed \$1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than \$1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Missions Committee Report

The Missions Committee has certainly been busy this year. Every member has participated and contributed greatly. The Missions Committee has met many times and also had many meetings with the Director of Missions, Barry Nealy, Director of Church Extension of the State Convention, and with Somerset Baptist Church. These meetings have been held in order that we might start a new work in the Timberlake area on Highway 501. Some actions related to the new work and other actions are as follows:

1. Presented to Annual Meeting the Probe results and prioritizing of mission sites.
2. Somerset Baptist Church was agreed upon as the sponsoring church.
3. Plans were made to establish a New Work Fund upon the agreement of the Association at the Annual Meeting.
4. Some attention has been given to Migrant Ministry, Hyco Lake Ministry needs, and Prison Ministry.

We expect the initial steps of getting the new Church started to begin shortly after the 1989 Annual Meeting. Remember the challenge is great and commitments are needed to be made by each of us in this coming year if this work is to be done. This is an Association wide project. May God help each of us to get the vision and get caught up in the excitement of His venture.

Respectfully submitted,
Clyde Everett, Chairman of Missions Committee
MISSIONS COMMITTEE:
Rev. Barry Crocker, Mrs. Wilma Foushee,
Mr. Fred Fox, Rev. David Huckabee

MOTION: To establish a New Work Fund of \$5,000, for the purpose of planting new churches in Beulah Association, from current association funds and then maintaining the fund by continual contributions from the churches of the association.

GUIDELINES:

1. To establish new work as a *priority* of the Association.
2. To guard this money for use *only* for new work.
3. Normal operating expenses will be decided upon by the Missions Committee. Land purchases and other major expenditures will be voted on by the Executive Committee.
4. All major decisions governing operation of the mission will be made by consent of the Cooperative Committee, consisting of representatives of the Associational Missions Committee, Baptist State Convention, sponsoring church, and the mission church.
5. Monies committed by the State Convention to this project will be placed in the New Work Fund.

Seminary Extension Report

The Beulah Baptist Association sponsored two seminary extension classes in the Caswell County Prison this year. This fall six students successfully completed a college level course in Systematic Theology. This was a follow-up course for the students who studied "Great Doctrines of the Bible" last year.

Eight students completed a basic curriculum course entitled "Great Passages of the Bible" this spring.

The Seminary Extension Department (SED) has just made it possible for students enrolled in a local seminary extension center to be working towards a seminary degree. In order to do this one must secure a set of application forms from the SED or local center

director. If accepted in the Seminary Diploma plan, you will receive two hours credit for each course completed.

Anyone interested in enrolling in a course should contact Stanley Hare. Qualified teachers are needed in the Caswell Prison unit and Roxboro area. If you are interested, give me a call.

Thank you for your prayers and financial support for this vital ministry.

Respectfully submitted,
Stanley Hare, Seminary Extension Director

Baptist Retirement Homes Report

The Baptist Retirement ministry to older persons is a ministry as under Christ Himself. We trust that our gifts will enable us to not only minister to those in our care but will encourage us to expand this desperately needed ministry in our convention.

We are grateful for the years our Yanceyville Home was open and we know that many older folks enjoyed a few years of happiness there. We pray God's blessings upon all our homes. Maybe God will see fit to let us have a rest home of some nature in Yanceyville for our senior citizens. Let us pray God's will be done and then we can all be comforted in this, as we support elderly folks in other Baptist Homes. May God bless all of you.

Evangelism Report

HERE'S HOPE. JESUS CARES FOR YOU! Beulah Baptists enter the 1989-90 associational year with a vision for, and a commitment to evangelism. April 1-8, 1990, will mark a great week of revival as we participate in the nationwide simultaneous revival effort. Twenty-three churches in the Beulah Baptist Association are now committed to the Here's Hope revivals.

Every pastor should have in hand the Pastor/Church Revival Preparation Manual. Monday morning, November 6, at Roxboro Baptist Church, Rev. Bob Yates will offer training to our pastors in the use of this manual.

Tuesday night, March 13, will be the night for a great, unified gathering of all Beulah Baptists for the 1990 Revival Rally at Roxboro Baptist Church. Dr. Mark Corts from Winston-Salem, Chairman of the Foreign Mission Board of the Southern Baptist Convention, will be our keynote speaker as we "kickoff" the simultaneous revival effort.

Many churches are conducting a people search this month while others will wait until March of next year. We encourage all Beulah Baptists to be much in prayer as we join hands together in this great revival effort.

Respectfully submitted,
Ray N. Howell, III, Chairman of Evangelism

Executive Committee Report

The Executive Committee met three times in 1988. The first meeting was January 16, 1989, at North Roxboro with 25 churches represented. Officers and committee representatives gave reports. Rev. Ken Childers made a motion that Rev. Brent Bond be appointed as Associational Youth Director. The motion was seconded and approved. A committee of three (Rev. Kendall Hastings, Rev. Larry McCracken, Dr. Ray Howell) was formed to finalize the position of clerk and secretary for the association.

The second meeting of the Executive Committee was on May 22, 1989, and was held at Beulah with 20 churches represented and 50 people in attendance. Officers and committee representatives gave reports. A recommendation in the form of a motion was made by the adhoc committee, to provide secretarial help for Rev. Ken Childers for 40 hours per month at a pay scale of \$5.00 per hour. The motion carried. Associational Brotherhood Director, Donald Harris, made a motion that the Beulah Baptist Association make a mission trip to Costa Rica in February of 1990 to build a chapel and hold revival services. The motion carried. Mr. Clyde Everett made a motion on behalf of the Missions Committee to endorse a new work in an area on Highway 501 between Roxboro and Durham, and that funds needed between May and October 1989 be taken out of the Associational treasury. The motion carried. The Nominating Committee made the following recommendation: Sunday School Director, Rev. Bob Baynard; Church Training Director, Mrs. Jeanie Whitehead; Brotherhood Director, Rev. Donald Harris; WMU Director, Mrs. Sharon Duke; Music Director, Mrs. Nancy Wilkerson; and Chairman of Evangelism, Dr. Ray N. Howell, III. The report was approved by the Executive Committee. The Program Committee made a recommendation that the Association Annual Meeting be changed to Monday, October 16, and Tuesday, October 17, with registration beginning at 4:00 P.M. each afternoon. There would be one afternoon and one evening session each day. The recommendation was approved.

The third meeting of the Executive Committee was September 18, 1989, at North Roxboro with 25 churches represented and 39 people present. Officers and committee representatives gave reports. An addition of \$500 was approved to be added to the budget for Migrant Ministry for 1989-90. The Missions Committee made a recommendation that an escrow account be set up for a New Work Fund with the amount being \$5,000 to be taken out of savings, and be used for starting new work in the association. A motion was made and approved to table the recommendation until Annual Meeting at which time more guidelines could be presented. Rev. Stanley Hare requested the approval of the Executive Committee concerning sending a letter to the President of the North Carolina Baptist Retirement Homes, to the members of the Board of Trustees of the Retirement Homes, and to the editor of the *Biblical Recorder*, expressing our feelings as an association concerning the matter of closing of the Yanceyville Home. Following discussion and the rewording of one of the points of the letter, it was approved to be sent to the above listed persons.

Respectfully submitted,
Sarah Childers, Association Clerk

The Rev. Dr. J. Boyce Brooks

September 10, 1911 - June 14, 1990

Baptists from Boone to Bogue Banks came to know and love the Rev. Dr. J. Boyce Brooks. But it was the Beulah Baptist Association that was fortunate to benefit from his devoted leadership twice, first during the early years of his ministry and then in his final days.

The son of a Baptist minister, Dr. Brooks was a devoted Baptist whose ministry and influence spanned over 50 years. He was born in Boone County, Kentucky on September 10, 1911, to the Rev. Charles Vance and Blanche Liles Brooks. A graduate of Campbell University and Southern Seminary in Louisville, Kentucky, he was ordained to the ministry in 1933 and received an honorary doctorate degree from Campbell University during his retirement.

Dr. Brooks served as pastor of many North Carolina churches, including ones in Roland, Spindale, Albemarle, Greensboro, Boone, Warsaw, Lillington, Mooresville, and Tabor City. He also pastored a Clemson, S.C. church, one in England and another in Caracas, Venezuela.

Dr. Brooks first came to Roxboro in 1944 to serve as pastor of Roxboro Baptist Church, a pastorate he held until 1950. He was about to retire from the active ministry in 1981 when he was asked to return to serve as Roxboro Baptist's interim pastor.

He and his wife decided to retire to Roxboro, buying a home here on Hillhaven Terrace. He became interim pastor at Roxboro Baptist in February 1982, serving until August of that year when the church named the Rev. Dr. Ray Howell III its new pastor. The Brooks continued to remain active members of Roxboro Baptist, with Dr. Brooks serving as an assistant to Howell.

Brooks also served as interim pastor for several other churches, including Berry's Grove and Antioch in the Beulah Association. In 1984, he went to Bogue Banks to help lead a new church being organized by First Baptist Church of Morehead City. He maintained his Roxboro residence, traveling back and forth on weekends to serve the church on the coast.

Having served churches near several college campuses and as campus minister at Campbell University, Dr. Brooks loved young people. He and Mrs. Brooks opened their home to many foreign students throughout their married life, exposing their own children to people from various cultures. He was active in the 4-H program, writing program materials for the state organization and serving on its foundation for many years.

He also was a denominational leader, serving on the board of trustees of Wake Forest University, Baptist Hospital, Southern Seminary, and *The Biblical Recorder*. Dr. Brooks was the first pastor to serve as chairman of the Baptist Hospital Board of Trustees, a position held only by physicians before him. He was twice elected to this office.

Dr. Brooks and his wife, the former Ruth Snipes, were married for over 50 years. They had three children, James Boyce Brooks Jr. of Butner, Bill Brooks of Raleigh, and Jo Ellen B. Godfrey of High Point; and nine grandchildren.

Dr. Brooks suffered a heart attach in 1984 while serving the Bogue Banks church. He recovered to resume many of his usual activities, but in 1990 his health began to fail. His death on June 14, 1990, saddened Baptists across the state who had known and loved him. No where was his loss more deeply felt than in the Beulah Baptist Association who had known his influence for so many years.

WMU Report

"In His Name: Reach, Teach, Touch." This has been the theme of the 1989-1990 WMU year.

Our emphasis has been to teach and motivate believers to follow Christ's example, to see people through His eyes, to reach the individual and the masses, and to touch people as He would touch them in such a way as to bring redemption and wholeness.

In December of 1989, our WMU gave \$238.00 for Christmas gifts for the Women in the Correctional Institution in Raleigh. While we couldn't personally touch these women, we hope these gifts would show them that someone cares and will open the door for others who can personally reach and touch them with the love of Jesus.

Clothes and a wagon were given to the Developmental School for the handicapped children. Devotional books for teenagers were given to C.A. Dillon School at Butner. These, too, we hope showed that we know how to love because we have been touched ourselves by the One Who is Love.

In preparation for the simultaneous revivals, the WMU, in conjunction with the Sunday School and Brotherhood Departments, conducted Witnessing Training classes. We had over 120 participants. We, also, held a prayer retreat not only for the revivals but also for the Costa Rica mission trip.

This year on Personality Day, we operated a booth that offered a cool drink of water in the Name of Jesus. We, also, offered tracts. Peggy Stone, the WMU Mission Ac-

tion/Personal Witnessing Director, said our only problem was we ran out of water. The booth was considered a success.

Again this year, we had a booth at the county fair. We have had this booth for the past two years and have found this way successful in reaching and touching people in the Name of Jesus.

As we have looked over the past year and looked at our objectives, we are grateful to the members of the WMU for their commitment and service. Apart from God and the ladies, your Beulah Baptist Associational WMU would not have been able to reach, teach, or touch anyone in the Name of Jesus.

Respectfully submitted,
Sharon Duke
Assoc. W.M.U. Director

Music Report

This year has been an exciting one for music ministry in the Beulah Association. Through our activities we have had excellent participation from our churches as well as great fellowship together.

On March 13, we had an associational choir to sing for the Here's Hope Rally at Roxboro Baptist Church. We had 12 churches participating with approximately 70 choir members.

On August 12, we had an associational choir sing at Roxboro Baptist Church. We had seven choirs participating with approximately 85 people.

We are looking forward to an even better year this coming year with even more churches participating in our music ministry.

Respectfully submitted,
Susan Davis
Assoc. Music Director

Discipleship Training

All church members and their families deserve the chance to develop as disciples, to grow to spiritual maturity. DISCIPLESHIP TRAINING can help build up your church, equipping members for dynamic ministry and meaningful Christian living.

This past year has been an encouragement to us as Beulah Association has seen new work started and existing work in our churches strengthened. Several churches have begun Youth Disciples, Young Adult, Children and Pre-school Departments. Churches accepting that challenge to Discipleship, allowing the whole family to be involved in witness training. A new record keeping system developed by the Sunday School Board has made the task for our secretary easier.

The Associational "M" Night was held November 27, at Beulah Baptist Church with exceptionally good attendance. This rally was a time of fun, education, and inspiration. Wendy Minton Edwards of the Discipleship Training Department of the B.S.C. of N.C. in Cary, was our special guest.

Associational Children's Bible Drill was held in May with young people from three churches. Five went on to become State Finalists in Asheboro. We had one Youth Bible

Drill winner who was a State Participant. The Association was delighted to have a young man in the Youth Speaker's Tournament who won in the Area Finals in Valdese. He also was a State Participant. We rejoice with all our children, youth, and leaders for a job well done.

Four received Associational Discipleship Training provided by the State Convention at Caraway. This group makes up the team ADTT. They are available to help churches and leaders. I was privileged to be trained and commissioned by the Sunday School Board as a New Work Consultant in Discipleship Training.

A new year is just beginning. DISCIPLESHIP is more than just knowing about what we believe - it is doing something about what we believe. Make this coming year the time to learn to share your faith in Christ. . . Watch for training events to be provided by your Association in areas of Deacon Ministry, Discipleship Interpretation, and Leadership.

Sunday School Report

In Sunday School this year, we finished up the Challenge 10/90 Campaign. We will begin a new emphasis this year called BREAKTHROUGH. . . Reach to Win. It will be a five-year program with the following themes: 1990-1991 REACH TO WIN; 1991-1992 TEACH THE BIBLE TO WIN; 1992-1993 EQUIP TO WIN; 1993-1994 SERVE TO WIN; and 1994-1995 WITNESS TO WIN.

Our Associational Sunday School Leadership Training School that was scheduled for September 11, 1990, to be held at North Roxboro Baptist Church, had to be rescheduled for October 9, 1990. The school was led by a N.C. Baptist State Convention approved team.

This coming year we hope to see more emphasis placed on Sunday School in each of our Association's churches as we try to make a BREAKTHROUGH in our Sunday Schools and do our part to achieve the goals of Bold Mission Thrust.

Brotherhood Report

The Brotherhood, this past year of 1990-91, has tried to produce a greater interest to the churches to have functions in Baptist Men, R.A.'s, and Baptist Young Men. In Baptist Men and R.A.'s, we have seen an increase of three new churches now having these functions. We could not get any effort to start Baptist Young Men's Programs.

While attending the Key Leadership Conference at Camp Caswell, we learned that all of the previous programs that are now in progress will continue. It was also mentioned that they will start no other programs until we have completed the ones now in process. It was recommended that we work with Home Mission projects and Disaster Relief projects.

The Beulah Brotherhood Mission project for 1990-91 was the Costa Rican Mission Trip. The Brotherhood worked together to plan and promote this mission trip. We

worked together to support the mission by funds, tools, food, clothes, the building of new pews, and the sending of personnel to build the church. We know that our Lord called this church out in Costa Rica and we were proud to support it. We pray that we shall return to do another unit some day.

The Baptist Men's Director, Mr. Randy Queen, reported that the Churches of the Beulah Association had a Brotherhood Golf Tournament. The funds that were collected went to the Cooperative Program in support of missions. We had a great turn out and hope to do this again next year.

R.A.'s Director, Rev. Jim Whitehead, reported activities, but there was a low turn out for these activities. Folks need to support our young people!

Your support for the year of 1990-91 will be needed. We hope to have a new Mission Project this year. This new project will be announced on October 11, 1990 at the Brotherhood Meeting. Thanks for your support!

Donald E. Harris

Evangelism Report

This year has been one of opportunities for those of us in the Beulah Association. This past March, we met together to kick off our simultaneous revivals with Dr. Mark Cortis from Winston-Salem. Then, some 23 churches across our association participated in the next few weeks with efforts to reach people within their respective communities.

In the coming year, we plan to offer some witness training as well as other events to help our churches do a better job of reaching people for Christ. If the statistics are true, 95% of our church members across the Southern Baptist Convention will never win one person to the Lord. May we together make that fact a matter of prayer and concern.

As always, we're interested in helping you in any way we can and likewise open to any suggestions you might have that would help our association glorify the Saviour.

Associational Youth Report

On December 27-30, 1989 six youth and three adults, representing three churches in our association, went to participate in the Time-Out 7 Retreat in Shocco Springs, Alabama. Along with the other 300 youth from the southeast region who were involved in this retreat, the spiritual response was tremendous. Many of our youth experienced a spiritual renewal in their lives and came back with a stronger commitment to Christ. Therefore, plans are currently being made to go to Shocco Springs, Alabama on December 28-31, 1991 for the Time-Out 8 Retreat.

On Saturday, July 21, 1990, the association sponsored a youth rally at North Roxboro Baptist Church. Fourteen churches within our association brought almost 150

young people who participated in outdoor activities, ate pizza, and shared in an evening celebration led by Jimi Ray and Tim Bearden. Seven young people made various commitments to the Lord. Next year's Associational Summer Youth Rally will be on Saturday, July 20, 1991.

Working with the association's churches has been an exciting experience. Thank you for your prayers and support. As plans are being made for the 1990-1991 year, continue to pray for our association's youth and how we can be more effective in reaching them for Jesus Christ.

Associational Youth Coordinator

Missions Committee

The Missions Committee has been very active this year. We can be thankful and very proud of each member for they have been faithful and served our association well. The two main areas of work are the (1) Migrant Ministry and, (2) the starting of a new work in the Timberlake area on Highway 501 South.

Concerning the Migrant Ministry, a Sunday School Class and Worship service has been established and they meet each Sunday at Providence (P) Baptist Church. Other outreach ministries such as Migrant Days and Care/Packet & Literature Distribution were performed.

The 501 Mission claimed most of our attention as a committee. Some delay was due to the securing of a sponsoring church. Mt. Harmony has agreed to be the sponsoring church. A survey was done in July with very promising results. We had good participation by our associational churches. Plans have been made to start the mission church on November 4, 1990, meeting at Helena School to start with. Also, leading up to this on November 1 through November 3, 1990, revival services will be held. Much work has been done to get to this point.

It is crucial in the beginning of this work and in the initial months ahead that we remember that this is an association-wide project; that the challenge is great; and commitments are needed to be made by each of us in this coming year, if the work is to be done.

Also, let me note that a new work fund has been established and I urge you to contribute on a regular basis. Also, make yourself available to God, to be used in this great venture. The days ahead can be difficult if but a few put their hands to the plow. But together all of us can share in the success of this project. . . if we will pray, give our monies to support the work, and give of our time and talents.

May God help each of us to get the vision and get caught up in the excitement of His venture. The Missions Committee asks one thing: Be Ready to Respond.

The Biblical Recorder
Associational Report - 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe to use CNS, contact:

Annual Director of Missions Report

This has been a good and exciting year filled with new ventures, revival of previous activities, and continued progress in ongoing programs.

Discipleship Training has been revitalized with the starting back of "M" Night. We also saw more churches participating in Children's Bible Drill, Youth Speakers Tournament, and other training activities. We were very proud to see state winners among our young people.

The Costa Rica mission trip was a first for our association. We had 40 people participating from 14 different churches. A Church building was constructed and 16 people came to know the Lord as Saviour as a result of the mission effort. Those who went had a spiritual experience they will not forget.

Our migrant ministry has continued and has grown. Thanks to Providence (P), a Spanish Sunday School and worship service has been organized. Clement church has been very helpful with transportation and provided facilities, volunteers, and food items for migrant day activities. Some 33 people made professions of faith in the various services. Over 130 Care packets were distributed. Thanks to the W.M.U., we had the opportunity to pass these packets out as we distributed literature and witnessed verbally to many people. Hundreds of scripture portions and tracts were shared.

The W.M.U. sponsored a booth at the Person County Fair for Scripture and tract distribution. This was a real success.

The participation in our Here's Hope Revivals was great. I do not have the figures compiled, but I am sure we will see an increase in baptisms due to this revival effort.

A video ministry has been added to what our association office is able to offer the churches. We have purchased a new V.C.R. and T.V., available to be used by any church that does not have one. We also have a number of video tapes for your use on various topics. Now that we have new shelves and cabinets, these and other items will soon be catalogued and a list of all items will be sent to each church. Mrs. Virginia Foster and Mrs. Inez Rogers, our media people for the association, have volunteered to do this.

Our missions committee has worked very hard over the past year. As a result, the new mission on Highway 501 will be started in the Helena School Gym with revival services on November 1-3 and our first Sunday Service on November 4. We will have both Sunday School and Worship Service on that first Sunday. We need the help and cooperation from all the churches in the association. Mt. Harmony Church is the sponsoring church.

These are only highlights of our past year. Many more great things were done but space and time do not permit reporting on everything. I appreciate everything anyone has done.

In conclusion, let me say thank you for your cooperation during the past year. You are a great association and it is a joy to be your Director of Missions. We have a great heritage and let us move forward with great hope as we "labour together with God" to accomplish His Great Commission as designed in the Bold Mission Thrust!

1990 Baptist Children's Homes of North Carolina, Inc. Report

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately \$75,000 in construction costs.

Children's hopes were also bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12 year absence, BCH lost more than \$1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant \$400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the, Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105 year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

1990 Baptist Hospital Report

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession . . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this \$190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from 34 other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received \$692,946.24 through the Cooperative Program and \$271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Rev. Barry Crocker, Stewardship Committee Chairman, made a motion that a VCR and TV be purchased for the Association Office to be used by all the churches in the association. The motion was seconded and passed. The Budget for 1990-91 was presented to the Executive Committee. It was approved by the Committee to be presented at the Annual Meeting.

The Program Committee presented the agenda for the Annual meeting, to be held October 22 & 23 of 1990. The agenda was approved as presented.

Rev. Ken Childers, Director of Missions, made a motion that the people attending the Annual Meeting in October of 1990, be asked to bring a non-perishable food item to the meeting to be distributed at help centers in Roxboro and Yanceyville. The motion was seconded and passed.
